*\*Each note represents  
a contribution of \$5,000*

*Would you like to help keep great classical music alive and thriving in Santa Cruz County for years to come? Would you like to leave a lasting legacy that provides outstanding music education opportunities for both adults and children in the community?*

*If your answer is yes to either of the above questions, please consider supporting the Santa Cruz County Symphony's Endowment.*

Endowment funds are *permanent* funds that will be invested and provide an annual return in perpetuity for the Symphony. An endowment gift can be designated toward a specific purpose or as an unrestricted gift.

Endowment gift opportunities include support for musicians' chairs, concerts, guest artists, and other artistic and education programs. *Recognition of major endowment gifts can include public naming opportunities in perpetuity.*

The Symphony can accept numerous types of gifts to establish an endowment fund. This includes outright gifts of cash, a charitable gift in a will or living trust, real property, appreciated stock, insurance policies, or other financial assets.

Planned gifts such as charitable remainder trusts can provide immediate tax benefits and a variable income for life of the donor, while creating a permanent fund that ultimately goes toward the Symphony's endowment.

► For more information on gift opportunities, please contact Jan Derecho, Symphony Executive Director at (831) 462-0553, ext. 13.

*Help create a sound financial future  
for the Santa Cruz County Symphony.*
